Cannot be studying at Curtin via a sponsoring body
Must not have received any credits for recognised learning (CRL)
CWA of 80 or above
Currently on an academic status of ‘Good Standing’
Enrolled in full time study load of 100 credit points

Please Note:

- This scholarship is not deferrable
- Course availability may result in a student not being able to continue a program of their choosing
- Only covers tuition fees and does not cover any other international student expense
- Will be credited to recipient’s fee account at commencement of studies and cannot be accessed by them
- Will not be extended beyond its prescribed duration or amount unless notified otherwise by Curtin
- Cannot be transferred to a Curtin campus or partner outside Western Australia, or to another university

Enrolment requirements
Unless there are exceptional circumstances such as, but not limited, to medical or family reasons, students must meet ALL of the following:

- Maintain a 'good standing' status
- Maintain full time study load of 100 credit points each semester
- Maintain an ongoing course weighted average of 80% or above
- Must remain international students through the duration of the scholarship period (penalties may apply for students who withdraw or are terminated from their scholarship year, and the recipient will be required to pay all scholarship benefits received)
- Students who switch courses may no longer be eligible for the scholarship at the discretion of their School

Please note:

- Curtin University has the right to withdraw the scholarship at any time

How to apply

Application process
No application is required for this scholarship, please see information below on the assessment and awarding process:

- Students who were in receipt of the 2017 Curtin Innovative Merit Scholarship will automatically be assessed for eligibility by the Faculty of Science & Engineering and will be advised accordingly of their success or otherwise
- Students may be required to adhere to terms and conditions surrounding their scholarship
- Students will not be considered for this scholarship if they are a recipient of, or have applied for, any other Curtin University scholarship
